2005 DONORS

Lutheran HealthCare is indeed fortunate to have the support of caring and committed donors. The generosity of these individuals, corporations, businesses and foundations enables Lutheran HealthCare to continue its mission of serving a diverse and growing community.

Lutheran HealthCare can assist individuals considering a contribution and the various forms it may take. Gifts of cash, securities, real estate, life insurance, bequests and trust plans are gratefully accepted and can be directed to our most urgent needs, as well as to areas of special interest to a donor. Opportunities to honor or memorialize a loved one or family friend are also available.
